

FieldEdge Developer Tools Terms of Service for Clients

FieldEdge provides APIs, SDKs, and cloud-based development tools to access information from FieldEdge and use it to integrate with FieldEdge's software platform. This access serves as the primary option to add or extend functionality to FieldEdge's web, mobile, and other service offerings under the following terms:

1. Acceptance of Terms.

This FieldEdge Developer Tools Terms of Service (the "Terms") contains terms that you must accept in order to use and access the FieldEdge Developer Tools (as described below). You and your Service Providers may not, however, use the Data, prompts, outputs, embeddings, metadata, or other information obtained through the Developer Tools to train, fine tune, test, benchmark, or improve any general purpose, shared, or third party artificial intelligence or machine learning model unless FieldEdge and the applicable data owner provide express written authorization. You shall not use an artificial intelligence or automation system to make a decision having a legal or similarly significant effect on an individual without meaningful human review and compliance with applicable law.

You remain fully responsible and liable for the acts and omissions of each Service Provider as if performed by you. FieldEdge may restrict, suspend, or revoke access by any Service Provider that FieldEdge reasonably determines presents a security, privacy, legal, operations, or reputational risk. FieldEdge is not responsible for the operation, availability, outputs decisions, actions or data handling practices of any Service Provider selected by you. In the event you grant such Service Provider access and desire to revoke it, you are solely responsible for removing access by such Service Provider.

5. Use of FieldEdge Brand or Marks.

You must not use the FieldEdge Brand in a way that suggests your service is endorsed by, sponsored by, or associated with FieldEdge without FieldEdge's express written consent, and you must abide by FieldEdge's Brand guidelines, as may be made available to you from time to time. FieldEdge will be entitled to make reasonable use of, and reference to, your name, website and trade or service marks in any promotional or corporate material relating to FieldEdge's services.

Similarly, when an End User deauthorizes or stops using your Application, you should delete all Data obtained through the FieldEdge Developer Tools pertaining to that End User. The restrictions of this Section do not apply to Data that End Users separately provide directly to you (e.g., you do not access through the APIs).

d. **Deletion at Termination.** If we terminate your use of the FieldEdge Developer Tools for any reason, or terminate the Agreement, then you must permanently delete all Data and any other information that you stored pursuant to your use of the FieldEdge Developer Tools, except when doing so would cause you to violate any law or obligation imposed by a governmental authority or your End User agreement. This provision does not require you to delete Data stored in FieldEdge if you are prohibited from accessing the FieldEdge Developer Tools.

e. **No Other Storing.** You may not copy or store any Data or capture or store any information expressed by the Data (such as hashed or transferred data), except to the extent permitted by these Terms and your End User agreement.

7. Security Measures.

a. **Protections.** The network, operating system and software of you and your Service Providers' web servers, databases, and computer systems (collectively, "**Your Systems**") must be properly configured to securely operate your Application and store Data. You must use reasonable security measures to protect your End Users' information. You must not architect or select Your Systems in a manner to avoid the foregoing obligation.

b. **Reporting.** You must promptly report any security deficiencies in, or intrusions to, Your Systems to FieldEdge in writing via email at feintegrations@xplortechnologies.com. This includes any unauthorized access, use, disclosure or destruction of Data from you or your Service Providers. Display, distribute or otherwise make available Data or any Application to any person or entity that you reasonably believe will use Data to violate the Universal Declaration of Human Rights (located at <http://www.un.org/en/documents/udhr/>), including without limitation Articles 12, 18, or 19. Except for the express licenses granted in these Terms, FieldEdge does not grant you any right, title, or interest in the FieldEdge Materials. You agree to take such actions as FieldEdge may reasonably request to protect FieldEdge’s rights to the FieldEdge Materials.

11. **Term and Termination.**

a. **Duration of Terms.** These Terms will go into effect on the date upon which you agree to them, or by accessing or using the FieldEdge Developer Tools, and will continue until terminated as set forth herein.

b. **Your Right to Terminate.** You may terminate these Terms at any time by discontinuing use of our Developer Tools and deleting the Data.

c. **Suspension; Termination.** We may change, suspend or discontinue the FieldEdge Developer Tools and suspend or terminate your use of the FieldEdge Developer Tools, the FieldEdge Service, and/or FieldEdge Brand at any time and for any reason, without notice. Without limiting the foregoing, we may limit your Application’s access to the FieldEdge Developer Tools if it, in our sole discretion, may negatively affect the FieldEdge Service or our ability to provide the FieldEdge Service.

d. **Effect of Termination.** Upon termination of these Terms or the Agreement:

- i. All rights and licenses granted to you will terminate immediately;
- ii. You will promptly destroy Developer Documentation, Developer Tools, the Data and any other FieldEdge information in your possession or control that was received under these Terms;
- iii. Unless we agree otherwise in writing or as stated in these Terms, you must permanently delete all Data and other information that you stored pursuant to your use of the FieldEdge Developer Tools. FieldEdge may request that you certify in writing your compliance with this section; and
- iv. FieldEdge will make commercially reasonable efforts to remove all references and

links to your Application from the FieldEdge Services. (FieldEdge has no other obligation to delete copies of, references to, or links to your Application.)

e. The following sections of these Terms shall survive any termination: Sections 4 (“Use of the Developer Tools and FieldEdge Data”), 5 (“Use of FieldEdge Brand or Marks”), 6(a) (“Ownership and Use of Data”), 6(c) (“Delete at End User Request”), 6(d) (“Deletion at Termination”), 7 (“Security Measures”), 10 (“Ownership of FieldEdge Materials”), 11 (“Term and Termination”), 12 (“Disclaimer of Warranties; Limitation of Liability; Indemnity”), 13 (“Dispute Resolution”) and 14 (“General Legal Terms”).

THE PROVISIONS OF THIS SECTION ALLOCATE THE RISKS UNDER THIS TERMS BETWEEN THE PARTIES, AND THE PARTIES HAVE RELIED ON THESE LIMITATIONS IN DETERMINING WHETHER TO ENTER INTO THESE TERMS. Some jurisdictions do not allow the exclusion of implied warranties or limitation of liability for incidental or consequential damages, which means that some of the above limitations may not apply to you. IN THESE JURISDICTIONS, FIELDEDGE’S LIABILITY WILL BE LIMITED TO THE GREATEST EXTENT PERMITTED BY LAW.

c. **Indemnity.** You agree to defend, hold harmless and indemnify FieldEdge, and its subsidiaries, affiliates, officers, agents, employees, and suppliers, from and against any third party claim arising from or in any way related to your Application (including the use of your Application by End Users), your use of, or your Service Providers use of, the FieldEdge Developer Tools or Data, the FieldEdge Brand, or violation of these Terms, including any liability or expense arising from all claims, losses, damages (actual and consequential), suits, judgments, litigation costs and attorneys’ fees, of every kind and nature. In such a case, we will provide you with written notice of such claim, suit, or action.

13. **Dispute Resolution.**

These Terms and any claim, cause of action or dispute (“**Claim**”) arising out of or related to these Terms shall be governed by the laws of the State of Delaware, United States, regardless of your country of origin or where you access the FieldEdge Service, and notwithstanding any conflicts of law principles and the United Nations Convention for the International Sale of Goods. You and FieldEdge agree that all Claims arising out of or related to these Terms must be resolved exclusively in the state and federal courts located in the county of New Castle, Delaware, and you agree to waive any and all objections to the exercise of jurisdiction over the parties by such courts and to venue in such courts for the purpose of litigating all such Claims. Notwithstanding the above, you agree that FieldEdge shall still be allowed to apply for injunctive remedies (or an equivalent type of urgent legal relief) in any jurisdiction. THE PARTIES HEREBY FURTHER WAIVE TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO WHICH THEY MAY BE PARTIES ARISING OUT OF OR IN CONNECTION WITH THESE TERMS OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY.

14. **General Legal Terms.**

If we make a material change to these Terms, we will provide you with reasonable notice prior to the changes either by emailing the email address associated with your account or by posting a notice on the Developer Site. You acknowledge that these updates and modifications may adversely impact how you access, use, and communicate with the FieldEdge Service and Developer Tools. If any change is unacceptable to you, then your only recourse is to cease all use of the FieldEdge Developer Tools. Your continued access or use of the FieldEdge Developer Tools will mean that you agree to the updates and modifications.

c. **Severability.** If any provision of these Terms is found to be illegal, void, or unenforceable, the unenforceable provision will be modified so as to render it enforceable to the maximum extent

possible in order to effect the intention of the provision; if a term cannot be so modified, it will be severed and the remaining provisions of these Terms will not be affected in any way.

d. **Language.** Where FieldEdge has provided you with a translation of the English language version of these Terms or any document referenced in these Terms, you agree that the translation is provided for your convenience only and that the English language versions of any such document, will control.

Furthermore, you hereby waive any rights or requirements under any laws or regulations in any jurisdiction that require an original (non-electronic) signature or delivery or retention of non-electronic records, to the extent permitted under applicable law.

f. **No Informal Waivers, Agreements, or Representations.** Our failure to act with respect to a breach of these Terms by you or others does not waive our right to act with respect to that breach or subsequent similar or other breaches. No representations, statements, consents, waivers or other acts or omissions by any FieldEdge affiliate shall be deemed legally binding on FieldEdge, unless documented in a physical writing hand signed by a duly appointed officer of FieldEdge.

g. **Injunctive Relief.** In no event shall you seek or be entitled to rescission, injunctive or other equitable relief, or to enjoin or restrain the operation of the Developer Site or FieldEdge Service or any FieldEdge Developer Tools, or other material used or displayed through the FieldEdge Developer Site or FieldEdge Service.

h. **Assignment and Delegation.** You may not assign or delegate any rights or obligations under these Terms without the prior written consent of FieldEdge, including in connection with a merger, acquisition, sale of assets, or other change of control. Any purported assignment and delegation in violation of the foregoing shall be ineffective. We may freely assign or delegate all rights and obligations under these Terms fully or partially without notice to you. We may also substitute, by way of unilateral novation, effective upon notice to you, FieldEdge for any third party that assumes our rights and obligations under these Terms.
